**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who has chosen a competitive provider. It is a relatively new provider but I was able to bundle phone, fax & Internet in one package with faster speeds, & lower price. Whenever I tried to get anything done with the bigger providers, I only got the usual run around. I had DSL, phone and fax with one of the biggest providers. I now have Fiber Optic for half the price. I'm saying no to price increases. Thank you..
